HOT SUMMER Safety Tips

Tips for a Simply Safer Summer..

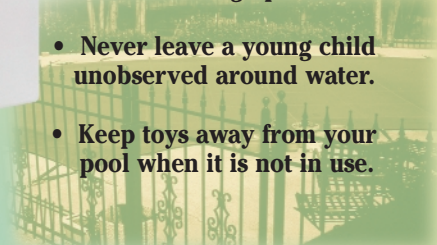

Home Maintenance and Safety

- Make certain that the guard to your mower deck is in place and working properly.
- If your gas grill will not ignite, leave the hood open for a few minutes before attempting to ignite it again.
- Do not operate your gas grill too close to the building. Allow proper cooling time before storing.
- Shut off all water sources in your home if you are away for extended periods of time.
- Eliminate the risk of injury by making sure that your steps and handrails are solid and safe.
- Do not allow small children on your riding lawn mower while in operation.

Swimming Pool Safety Tips

- Always keep life saving equipment by your pool and know how to use it.
- Enclose your pool completely with a fence that has a self-locking gate.
- Be sure to move furniture or large objects away from the fence to prevent a child from climbing up and over it.
- Never leave a young child unobserved around water.
- Keep toys away from your pool when it is not in use.

Safe Summer Driving Tips

- Never leave small children or pets unattended in your car.
- Always wear your safety belts.
- Protect your child by purchasing an approved car seat.
- Do not drive under the influence of alcohol.
